Our vision

THE BETTER DRINK, THE EASY CHOICE, FOR EVERYONE.

SO, WHAT IS GT?

Every GT bottle holds a natural concentrate of real tea, herbs and botanicals. No preservatives, no artificial additives, with just a little sugar — or none at all. And from the very same bottle, you can build a whole range of more indulgent, milk-based premium drinks.

ADDED SUGAR

MADE SIMPLE

RIDICULOUSLY EASY TO SERVE

a perfect pour in three simple moves

- 1** Fill the cup with ice.
- 2** Top up with cold water.
- 3** Add the GT concentrate, give it a quick stir, finish with a twist of lemon or fresh mint — and serve.

GT was made for busy teams — easy to bring in, easy to run, every shift. A short video teaches every team member to pour a perfect cup in under a minute.

YOUR MOST PROFITABLE POUR

GT is built to be the most profitable drink on your menu — high margin, no refrigeration, no space taken in the fridge. And it lifts your whole drinks menu into another league: every cup leaves the pass looking exceptional and upgrades any dish served beside it.
